

Jerry K. Crouse

Chairman

Jerry K. Crouse is Chairman of Tenaska's Executive Leadership Board. Tenaska is one of the leading independent power producers in the U.S. Based in Omaha, Nebraska, Tenaska has regional offices in Dallas, Denver, Philadelphia, Houston, Boston and Calgary, Alberta, and Vancouver, British Columbia, Canada. *Forbes* magazine consistently ranks Tenaska among the largest privately held U.S. companies.

Tenaska has developed, managed and/or operated approximately 22,000 megawatts (MW) of natural gas-fueled and renewables generation. Its development services portfolio includes six carbon sequestration and storage projects and more than 23,000 MW of solar, wind and energy storage projects. Tenaska's current operating fleet includes 7,500 MW of generating facilities. Tenaska's natural gas marketing affiliate, Tenaska Marketing Ventures, consistently ranks in the top five North American gas marketers' rankings by *Platts Gas Daily*. Its power marketing affiliate, Tenaska Power Services, Co., is the leading U.S. provider of energy management services to generation and demand-side customers.

Tenaska affiliates also market natural gas and electric power and provide energy risk management services. Tenaska is involved in asset acquisition, fuel supply, natural gas exploration, production and transportation systems, and electric transmission development.

Prior to his position as Chairman, Mr. Crouse served as Tenaska's Vice Chairman and Chief Executive Officer from 2010-2022. He has extensive financial management and accounting experience, primarily in the energy and services industries, and also served as Tenaska's Chief Financial Officer and Corporate Controller.

Before joining Tenaska in 1991, Mr. Crouse was a Certified Public Accountant in the Audit Division of Arthur Andersen, LLP, serving a variety of clients with their accounting and planning needs.

Mr. Crouse earned a Bachelor of Science degree in Business Administration from the University of South Dakota.
