Kiowa Power Partners, LLC

**Plant Facts**

- **Location:** 4386 Old 69 Road
  Kiowa, Oklahoma 74553
  (Pittsburg County)
- **Purpose:** Converts natural gas to electricity
- **Size:** 1,220 megawatts
- **Commercial Operation:** April 2003
- **Owner:** Kiowa Power Partners, LLC
- **Energy Production Customer:** Shell Energy North America (US), L.P.
- **Investment:** Approximately $450 million in new capital invested in Oklahoma
- **Full-time Employment:** 35 well-paying, full-time positions

**Project Benefits**

**Capacity**

1,220 megawatts of capacity to meet the electric energy needs of 1.2 million households.

**Reliable Generation**

Forced outage factor of 2.4% over the past five contract years.

**Clean Power Generation**

Meets all applicable environmental permits and standards, and uses clean-burning natural gas, along with effective control technology, to ensure low emissions and environmentally responsible operation.

**Local and State Tax Revenue**

Millions of dollars in property tax revenues will be paid in Pittsburg County over the life of the project. At the same time, the plant requires few local services, such as police, fire or roads.

- The facility has paid more than $44.6 million in property taxes through 2019.
- Tenaska paid approximately $3.9 million in Oklahoma mortgage recording taxes that directly benefited area schools in Pittsburg and Atoka counties.

**Tenaska Kiamichi Generating Station**

**Kiowa Power Partners, LLC**

**Employment**
33 well-paying, full-time positions to operate the facility. These employees live, pay taxes and purchase goods and services in Oklahoma.

During construction Tenaska Kiamichi worked with its contractors to hire qualified local workers and make purchases from local businesses and vendors.

- 53 percent of project personnel, some 1,051 construction and trade workers, were from the state of Oklahoma.
- 58 construction and trade workers were hired from within 50 miles of the facility.
- Oklahoma construction and trade workers earned approximately $16.3 million in wages while building the plant.

**Economic Impact**
More than $6.8 million in employee salaries and payments to local contractors and vendors in 2019.

Tenaska Kiamichi's construction contractor purchased approximately $21 million in goods and materials in Oklahoma during construction. Purchases were made from 38 Pittsburg County companies.

**Safety**
Recipient of two National Safety Council awards for 2018 safety achievements.

Awarded status as a Voluntary Protection Program Star Worksite by the U.S. Occupational Safety and Health Administration (OSHA).

**Citizenship**
Involvement occurs at both the corporate and individual levels. Examples:

- Tenaska Kiamichi and its power customer, Shell Energy, have awarded $146,000 in scholarships to 140 college-bound high school seniors to date.
- The facility provides educational tours to student groups and has an ongoing relationship with Oklahoma State University's power plant technology program.
- Tenaska Kiamichi employees volunteered more than 300 hours in 2019 to support local community and charitable projects.
- Tenaska Kiamichi donates $8,000 to $10,000 on a yearly basis to local charities and various community organizations.
- In 2014, Tenaska Kiamichi and its employees presented a $1,500 donation to the Kiowa senior citizens center in celebration of the plant's decade of commercial operation.
