

TENASKA® IMPERIAL SOLAR ENERGY CENTER SOUTH

Owner: CSOLAR IV South, LLC

Commercial Operation: November 2013

147 Pulliam Road
Calexico, California 92231
(Imperial County)

At a Glance

Photovoltaic technology converts sunlight directly into electricity with solar panels that do not make noise or produce emissions. CSOLAR IV South uses the abundant solar resources found in Imperial Valley, California to generate renewable power which is sold to San Diego Gas & Electric Company.

Community Impact

At Tenaska, we know that community is important and prioritize offering time and support for efforts that positively impact the areas where we live and work.

An active community member, CSOLAR South and CSOLAR West sponsor a college scholarship program benefiting local high school students. To date, \$90,000 in scholarship funds have been awarded to 82 students.
