

Bill L. Geis

Executive Vice President, Origination North America

Bill Geis is the Executive Vice President of Origination North America for Tenaska Marketing Ventures (TMV), the natural gas marketing affiliate of Tenaska. Mr. Geis heads a team of originators who focus on customers in the Midwest, Midcontinent, the South and the East regions of the U.S, including LNG export customers. Additionally, Mr. Geis oversees TMV's Customer Solutions & Strategy team.

TMV has customers throughout the United States and Canada. TMV is ranked by *Platts Gas Daily* as one of the top five natural gas marketers in North America and is consistently rated No. 1 in gas pipeline capacity trading by *CapacityCenter.com*. TMV has also been ranked in the top 5 in customer value and loyalty by *Mastio & Company* since 2007.

Mr. Geis has worked for Tenaska for over 29 years, serving in a variety of roles and departments. In his previous positions with TMV, Mr. Geis was responsible for identifying business opportunities with new and existing customers, originating natural gas contracts and providing assistance with strategic accounts. Before that, he worked in Tenaska's Finance Group conducting economic modeling; Business Development Group managing tolling agreements; and as a Power Marketer for Tenaska Power Services.

Mr. Geis earned a Bachelor of Science degree in Economics from the University of Minnesota and a Master of Business Administration degree from Creighton University.
