

Tenaska Georgia Generating Station

Power generated by Tenaska Georgia Generating Station is sold into the Southeastern Reliability Corporation (SERC) regional transmission organization (RTO) through a contract with Constellation Energy Generation. The SERC market manages the flow of electricity across 16 U.S. states.

Community and economic impact

Community is priority for Tenaska and our employees, who dedicate time and resources to the areas where we live and work, supporting local businesses, creating jobs and driving economic growth through our investments and operations.
